Greetings President Standifer,

I just wanted to confirm that I spoke with Rob on Tuesday regarding the upcoming meeting with EPA Region 10 Administrator Dennis McLerran. Rob tentatively confirmed that a meeting in Anchorage on Wednesday, November 14, from 9:00-10:30 at the EPA Alaska Operations Office in the Federal Building would work for you and the Council. Mr. McLerran has confirmed the meeting time on his calendar and looks forward to meeting with you, NVT Council members, and representatives. I was instructed by Rob that I should work with him and Heather on developing the agenda and discussion topics. Let me know if you have any questions and please confirm at your earliest convenience that the date and time will work. Thanks in advance.

respectfully,

---
